BËT is bringing their sweet-on-the-front, pepper-on-the-finish sugar beet vodka to their customers with the BËT Vodka Travel Bar.

7/23/2019

0 Comments

BËT prides itself on being #madeforsharing, and they are making it easier than ever to share by bringing the BËT experience anywhere their fans want them to be.

Rather than going to a distillery, BËT is bringing the distillery to the people. The BËT Vodka Travel Bar comes equipped with a bartender and has three packages customers can choose from – Simplified, Sincere, and Social. The Travel Bar is the first of its kind among the distillers in Minnesota - and locally leading the trend for customized cocktails.

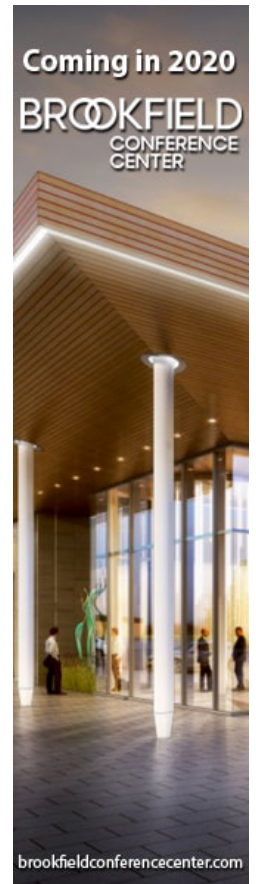

You can find more details about the packages here: <https://betvodka.com/travel-bar>
