Finish the Run: A 5K in honor of David Forster

📍 Boom Island Park

🕒 Sep 11th | 11:00 AM - 2:00 PM CST

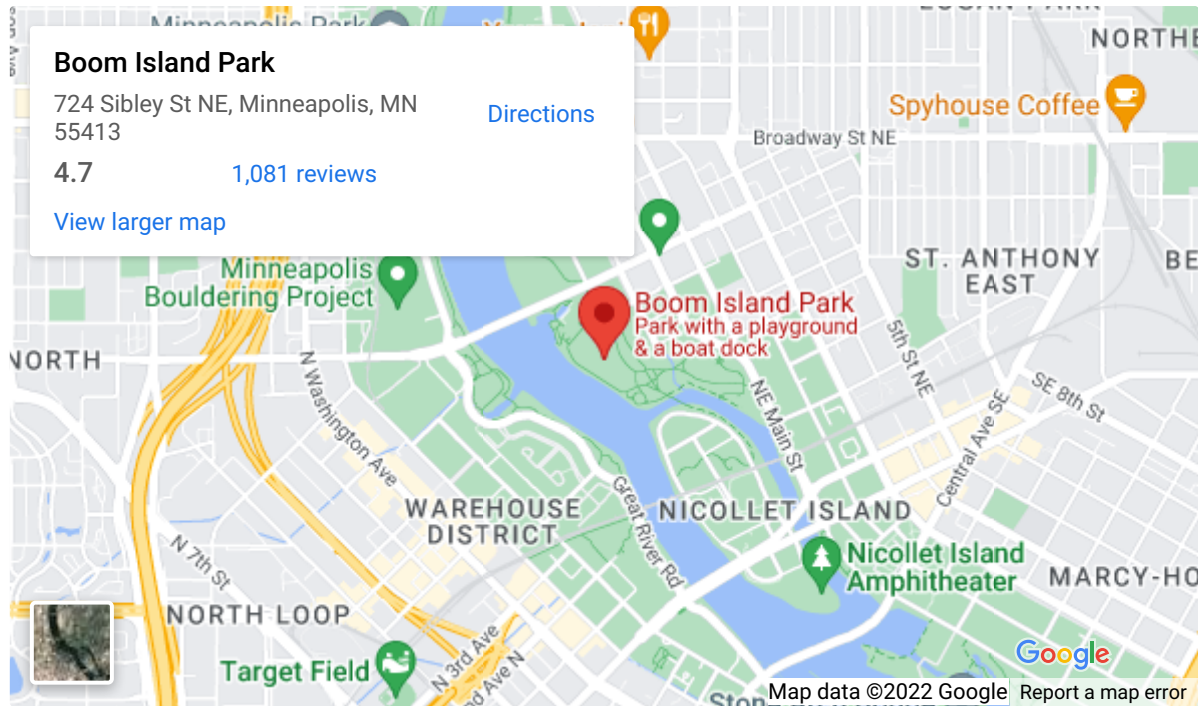

🔗 [Finish the Run website](#)

A 5K run or 2 mile walk along Boomm Island.

Finish the Run's mission is to inspire and empower each and every person to live intentionally in supporting and assisting others to “finish their run” through whatever their life challenges may be.

We’ve always been intentional in directing proceeds from this wonderful event toward initiatives that represent who David was and what he cared about while he was here on this Earth, and this year’s recipients feel like the perfect fit to us:

children who are fighting life-threatening diseases bring their family and friends to come visit them; provide a break for the family to get away during chemotherapy/treatment; surprise the child with toys and/or gift cards, and so much more.
